**REQUEST FOR CERTIFICATE OF CORRECTION
OF OFFICE MISTAKE
(35 U.S.C. §254, 37 CFR §1.322)**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
Attn: Certificate of Correction

Dear Sir:

Attached is Form PTO-1050 (Certificate of Correction) at least one copy of which is suitable for printing. The errors together with the exact page and paragraph number(s) where the errors are shown correctly in the application file are as follows:

FRONT PAGE OF THE PATENT:

1. Please insert the following sections on the front page of the patent:
 - (63) Continuation-in-part of application No. of 10/075,964, filed on February 13, 2002, now Pat. No. 7,452,098, continuation-in-part of application No. 10/075,520, filed on February 13, 2002, now Pat. No. 7,113,196.
 - (60) Provisional application No. 60/298,364, filed June 15, 2001, provisional application No. 60/315,571, filed on August 8, 2001.

This appears correctly in the patent application as filed on page 1, paragraphs [0002] and [0003].

Patentee hereby requests expedited issuance of the Certificate of Correction because the error lies with the Office and because the error is clearly disclosed in the records of the Office. As required for expedited issuance, enclosed is documentation that unequivocally supports the patentee's assertion without needing reference to the patent file wrapper. Please see the attached "REQUEST FOR CORRECTION OF CONTINUITY DATA IN PAIR" that was filed on April 12, 2010.

It is noted that the above-identified errors were errors that apparently occurred within the Office during the final processing of the patent before the issue fee was paid. Accordingly, it is believed that no fees are due in connection with the filing of this Request for Certificate of Correction. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 50-4481 (Order No. APL1P215X1).

Respectfully submitted,
BEYER LAW GROUP LLP

REQUEST FOR CORRECTION OF CONTINUITY DATA IN PAIR

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

It has come to Applicants' attention after reviewing PAIR that the Parent Continuity Data is missing or has been deleted from the PAIR record for the above-identified application. The Parent Continuity Data for this application should be as follows:

This application is a CIP of 10/075,964 02/13/2002
which claims benefit of 60/298,364 06/15/2001
This application 10/773,897
is a CIP of 10/075,520 02/13/2002
which claims benefit of 60/315,571 08/28/2001

This information appears correctly on the Filing Receipt (a copy of which is attached for reference). Correction of the Parent Continuity Data is respectfully requested.

Applicants' also note that the Bibliographic Data Sheet (in the PAIR record) dated January 13, 2010 has the correct Parent Continuity Data, but the one dated later on February 23, 2010 has the Parent Continuity Data removed. Copies of the two Bibliographic Data Sheets are also attached for reference.

Applicants' note further that the 10/773,897 application has been removed from the Child Continuity Data of the 10/075,964 and 10/075,520 applications. Correction of the Child Continuity Data for these two applications is also respectfully requested.

Applicants strongly desire the correct Continuity Data to appear on the Letters Patent.

If any further information is needed, please feel free to contact the undersigned at the telephone number listed below.

Respectfully submitted,
BEYER LAW GROUP LLP

FILING RECEIPT

OC000000012536388

Date Mailed: 05/05/2004

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. **If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).**

Non-Publication Request: No

Early Publication Request: No

Title

Active enclosure for computing device

Preliminary Class

361

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).
